Bureau of Census - Annual Survey of Manufactures

Category	2016	2015
Geographic identifier code	0100000US	0100000US
Relative standard error for estimate of capital expenditures for computers and peripheral data processing equipment (%)	14.2	4.9
Capital expenditures for computers and peripheral data processing equipment (\$1000)	3119	2767
Relative standard error for estimate of capital expenditures for automobiles trucks etc. for highway use (%)	9.8	9.9
Capital expenditures for automobiles trucks etc. for highway use (\$1000)	3935	2814
Relative standard error for estimate of capital expenditures for machinery and equipment (%)	D	4.5
Capital expenditures for machinery and equipment (\$1000)	D	85366
Relative standard error for estimate of capital expenditures for buildings and other structures (%)	D	3.4
Capital expenditures for buildings and other structures (\$1000)	D	18212
Relative standard error for estimate of total capital expenditures (%)	3.6	4.2
Total capital expenditures (\$1000)	97500	103578
Relative standard error for estimate of materials and supplies inventories end of year (%)	3.6	1.9
Materials and supplies inventories end of year (\$1000)	223207	286434
Relative standard error for estimate of work-in-process inventories end of year (%)	8.5	6.2
Work-in-process inventories end of year (\$1000)	100422	114451
Relative standard error for estimate of finished goods inventories end of year (%)	2.7	2.4
Finished goods inventories end of year (\$1000)	314908	347830
Relative standard error for estimate of total inventories end of year (%)	2.5	2
Total inventories end of year (\$1000)	638537	748715
Relative standard error for estimate of materials and supplies inventories beginning of year (%)	11.1	11.6
Materials and supplies inventories beginning of year (\$1000)	290854	266847
Relative standard error for estimate of work-in-process inventories beginning of year (%)	9	7.6
Work-in-process inventories beginning of year (\$1000)	104890	108526
Relative standard error for estimate of finished goods inventories beginning of year (%)	6.8	6.8
Finished goods inventories beginning of year (\$1000)	340992	354328
Relative standard error for estimate of total inventories beginning of year (%)	7.5	7.5
Capital expenditures for all other machinery and equipment (\$1000)	D	79786
Relative standard error for estimate of capital expenditures for all other machinery and equipment (%)	D	4.5
Total rental payments or lease payments (\$1000)	39236	40592
Relative standard error for estimate of total rental payments or lease payments (%)	3.8	3.7

Category	2016	2015
Relative standard error for estimate of taxes and license fees (%)	7.2	3.8
Taxes and license fees (\$1000)	17870	17528
Relative standard error for estimate of purchased professional and technical services (%)	6.6	9.8
Purchased professional and technical services (\$1000)	21255	24585
Relative standard error for estimate of advertising and promotional services (%)	11.9	8.2
Advertising and promotional services (\$1000)	4448	6233
Relative standard error for estimate of refuse removal (including hazardous waste) services (%)	5.2	5.8
Refuse removal (including hazardous waste) services (\$1000)	11863	10868
Relative standard error for estimate of repair and maintenance services of buildings and/or machinery (%)	2.9	3.6
Repair and maintenance services of buildings and/or machinery (\$1000)	35456	37274
Relative standard error for estimate of communication services (%)	6.3	6.8
Communication services (\$1000)	6679	7058
Total inventories beginning of year (\$1000)	736736	729701
Relative standard error for estimate of data processing and other purchased computer services (%)	8.8	12.1
Relative standard error for estimate of expensed purchases of software (%)	6.7	8
Expensed purchases of software (\$1000)	2792	2535
Relative standard error for estimate of expensed computer hardware and other equipment (%)	5	6.2
Expensed computer hardware and other equipment (\$1000)	5122	6353
Relative standard error for estimate of temporary staff and leased employee expenses (%)	4.3	4.4
Temporary staff and leased employee expenses (\$1000)	33852	38940
Relative standard error for estimate of total other operating expenses (%)	3.3	4.2
Total other operating expenses (\$1000)	332911	348796
Relative standard error for estimate of rental payments or lease payments for machinery and equipment rentals (%)	4.4	3.6
Rental payments or lease payments for machinery and equipment rentals (\$1000)	9181	10605
Relative standard error for estimate of rental payments or lease payments for buildings and other structures (%)	4.4	4.2
Rental payments or lease payments for buildings and other structures (\$1000)	30055	29987
Data processing and other purchased computer services (\$1000)	4610	5369
Relative standard error for estimate of value added (%)	3.8	2.9
Value added (\$1000)	1859004	2006544
Relative standard error for estimate of other miscellaneous receipts (%)	D	D
Total cost of materials (\$1000)	2803428	2960026
Relative standard error for estimate of production workers annual wages (%)	2.1	2.2
Production workers annual wages (\$1000)	291580	276548

Category	2016	2015
Relative standard error for estimate of production workers annual hours (%)	2.8	3.3
Production workers annual hours (1000)	11495	11124
Relative standard error for estimate of production workers average for year (%)	2.1	2.4
Production workers average for year	5714	5633
Relative standard error for estimate of employer's cost for other fringe benefits (%)	2.7	2.6
Employer's cost for other fringe benefits (\$1000)	63740	66599
Relative standard error for estimate of employer's cost for defined contribution plans (%)	5.9	3.5
Employer's cost for defined contribution plans (\$1000)	19268	21037
Relative standard error for estimate of employer's cost for defined benefit pension plans (%)	25.9	26.7
Relative standard error for estimate of total cost of materials (%)	2.7	2.5
Employer's cost for defined benefit pension plans (\$1000)	3869	3576
Employer's cost for health insurance (\$1000)	85126	73457
Relative standard error for estimate of total fringe benefits (%)	3.1	2.1
Total fringe benefits (\$1000)	172002	164669
Relative standard error for estimate of annual payroll (%)	3.3	2.9
Annual payroll (\$1000)	622922	614217
Relative standard error for estimate of number of employees (%)	2.7	2.7
Number of employees	10257	10370
Year	2016	2015
Meaning of 2012 NAICS code	Printing ink manufacturing	Printing ink manufacturing
2012 NAICS code	325910	32591
Geographic area name	United States	United States
Id2		
Relative standard error for estimate of employer's cost for health insurance (%)	3.5	2
All other operating expenses (\$1000)	188963	192053
Cost of materials parts containers packaging etc. used (\$1000)	2610841	2752922
Cost of resales (\$1000)	119200	120133
Other miscellaneous receipts (\$1000)	D	D
Relative standard error for estimate of contract receipts (%)	D	X
Contract receipts (\$1000)	D	0
Relative standard error for estimate of value of resales (%)	D	D
Value of resales (\$1000)	D	D
Relative standard error for estimate of total miscellaneous receipts (%)	10.1	5.6
Total miscellaneous receipts (\$1000)	156504	158232
Relative standard error for estimate of value of interplant transfers for shipments and receipts for services (%)	0	0
Value of interplant transfers for shipments and receipts for services (\$1000)	331113	267894
Relative standard error for estimate of value of primary and	2.4	2.3

Category	2016	2015
secondary product shipments and receipts for services made in industry (%)		
Value of primary and secondary product shipments and receipts for services made in industry (\$1000)	4536480	4808910
Relative standard error for estimate of total value of shipments and receipts for services (%)	2.4	2.3
Relative standard error for estimate of cost of materials parts containers packaging etc. used (%)	2.7	2.5
Total value of shipments and receipts for services (\$1000)	4692984	4967142
Quantity of electricity sold or transferred (1000 kWh)	0	0
Relative standard error for estimate of quantity of generated electricity (%)	D	D
Quantity of generated electricity (1000 kWh)	D	D
Relative standard error for estimate of quantity of electricity purchased for heat and power (%)	4.5	5.2
Quantity of electricity purchased for heat and power (1000 kWh)	475779	446188
Relative standard error for estimate of cost of contract work (%)	13.4	8.7
Cost of contract work (\$1000)	30147	38323
Relative standard error for estimate of cost of purchased electricity (%)	7.1	7.4
Cost of purchased electricity (\$1000)	36270	39192
Relative standard error for estimate of cost of purchased fuels (%)	7.8	7.1
Cost of purchased fuels consumed (\$1000)	6970	9456
Relative standard error for estimate of cost of resales (%)	8.7	7.6
Relative standard error for estimate of quantity of electricity sold or transferred (%)	X	X
Relative standard error for estimate of all other operating expenses (%)	3.7	4.7
